# THREE RESULT AREAS

# RESULT 1: STRENGTHENED GLOBAL LEADERSHIP AND ADVOCACY

## RESULT 2: EXPAND AND STRENGTHEN NGO AND COMMUNITY PROGRAMS

- Conduct strategic solicitations for FP Programs
- Manage and oversee grantee programs
- Strengthen PVO and NGO Technical Programs

## RESULT 3: PROVIDE CAPACITY BUILDING TO NGOS

- Prepare organizations to receive USAID funds
- Support organizations in implementation of USAID funded projects
- Provide capacity building support, guidelines, tools
- Support shared learning with local and regional partners

# AREAS OF FOCUS

- CBA2I
- Increasing access to LA/PM
- Securing family planning in community health systems
- Institutionalization of family planning in organizations

# COLLABORATION

- Share Knowledge
  - Support and promote collaboration on CH learning agenda
  - Country information
  - Identification of effective community-based efforts
  - Collaborate to identify core functions of community-based services
- Share promising approaches
  - Share lessons learned
  - Develop guidelines that can be used across partners
- Support implementation
  - Share implementation experience, feedback on use of tools
  - Identify local NGOs for solicitation outreach
  - Collaboration between grants mechanism and technical partners
